

SmartOnboard™ Over First-Day Fumbles.

Get new hires in, up, and ready. Without the paperwork panic.

The Hiring Crisis Is Real

28%

Of new hires quit within the first 90 days

40%

Of hourly workers say onboarding was unclear or overwhelming

3x

Faster productivity ramp with structured, mobile-first onboarding

0

Tolerance for compliance gaps in today's hiring landscape

Here's How SmartOnboard™ Takes Back Control

Onboarding built for speed, structure, and frontline success:

1.

Everything New Hires Need—Day One

SmartOnboard™ delivers forms, tasks, docs, and training straight to their device—no printers, no logins, no excuses.

2.

Customizable. Trackable. Fully Compliant.

HR stays in the loop with real-time status updates, task tracking, and audit trails.

3.

Built for the Grind of Hourly Hiring

High-volume onboarding that's just as fast as your hiring velocity.

Why It Wins

No Desktops Required

Mobile-friendly workflows meet candidates where they are—on the move.

Clarity from the Jump

Automated task flows walk new hires through what matters most.

Ties into SmartHire, SmartSchedule & More
